Vinny.....The Garrity flashlight you asked me about is the single AA Rugged Lite w/ key chain. The unit cost for 24,000 units in blue, unimprinted, with battery inserted is $1.25 each, bulk packed. For the item without battery, deduct $ .12 per unit. Lead time for 24,000 units is six weeks. Please let me know if you need samples or additional information. Thanks.....Pam.
